We aim to be an inclusive school, and cater for the needs of all students within the Belridge Secondary College community.

Our College places emphasis on high levels of academic achievement - our ATAR performance over time has enabled the College to offer a comprehensive University Pathway course selection. Our VET results are evidenced by our systemically significant Attainment rate. These successes are complimented by our programs dedicated to excellence in the Arts, Technology and Enterprise and Health & Physical Education. Our Cricket Academy has consistently produced elite cricketers, and our Fashion and Design Specialist Program enables students to follow their passion and attain excellence in their chosen field.

Dear Parent/Guardian

Our school now has access to the online services provided by the Department of Education. These increase the range of teaching tools available to staff and will enhance the opportunities available to students.

I am writing to you to seek approval for your child to be given access to these online services. This will involve the school using the student’s full name, preferred name, class and year to create a unique online services account.

The Department’s online services currently provide:

- individual email accounts for all students and staff;
- access to the internet, with all reasonable care taken by schools to monitor and control;
- students’ access to web sites while at school;
- access to email services from home if the home computer is connected to the Internet; and
- access to the Online Teaching and Learning System.

If you agree to your son or daughter making use of these online services, please ensure that your son or daughter reads and understands the acceptable usage agreement attached to this letter. The completed “Acceptable Usage” document should be returned to school so that an online services account can be created for your child.

Please note that while every reasonable effort is made by schools and the Department to prevent student exposure to inappropriate online content when using the Department’s Online Services, it is not possible to completely eliminate the risk of such exposure.

You should also be aware that general Internet browsing by your child from home or locations other than school is not monitored or filtered by the Department since it is not conducted via the Department’s online services and that you are responsible for supervision of your child’s use of the internet from home.

Yours sincerely

Dear Parents

Student SmartRider

The Public Transport Authority (PTA) advises that all new secondary students are eligible to receive a Student SmartRider concession card. The Student SmartRider card will be similar in size to a credit card and will be made available for all students throughout the state.

Parents/guardians should be aware that students will require a Student SmartRider to access concession travel on Transperth, bus, rail and ferry services, and Transwa country road and country rail services and to access the Student 50 cent fare.

In order to issue the cards in the first instance the PTA requires that parents/guardians give their permission for schools to provide student details to the PTA, for the purposes of registering the student for concession travel, and to enable the Student SmartRider to be produced. Only students who provide parent/guardian permission for the release of these details, will be issued with a card through their school. The information that will be released is student name, date of birth, address and Curriculum Council or student number.

The PTA must comply with the privacy requirements for the public sector and as such will only be using the information provided by the school for the issuance of the Student SmartRider concession card.

If you wish your child to be issued with a Student SmartRider free of charge through their school, you should sign the attached permission and registration slip and return it to your school as soon as possible. (NB: some schools may charge a nominal fee to parents where they have requested to have additional features on the card, such as photo ID, for school purposes.)

If the school does not receive the signed permission slip by this date, your child’s student information will not be released to the PTA.

If you do not wish your child to be issued with a Student SmartRider through this process, but your child still requires a Student SmartRider concession card, then you will need to go to a Transperth Information Office and apply for one. You will need to provide proof that your child is enrolled at a school and pay a card fee of $5.00 for the purchase of the card if you wish to apply for a Student SmartRider in this way.

Please contact your school or the Transperth Info Line on 13 62 13 if you have any further questions.

Yours sincerely
